The Power of Ideas to Change the World

The HOPE Global Forums convene leaders from government, community and the private sector in the largest gathering in the world focused on the empowerment of the poor. Our purpose: to reimagine the global economy so the benefits and opportunities of free enterprise can be extended to everyone.

A Vital Community of Decision Makers

Each year, we convene a community of over 4,500 decision makers from 60 countries in a vital showcase of thought leadership and commitment to positive change. Leaders in their own space, the HGF community represents some of the world's foremost organizations and institutions.

Gathering the World's Most Extraordinary People and World-Class Brands

This year, PayPal CEO Dan Schulman, KKR Founder Henry Kravis and Next Door CEO Sarah Friar will join our legacy of guests that include President Bill Clinton, Tom Brokaw, Fed Chair Ben Bernanke, Deepak Chopra, Andrew Ross Sorkin, UPS CEO David Abney, Twitter Founder Jack Dorsey, Delta Air Lines CEO Ed Bastian, Al Gore, U.S. Treasury Secretaries Robert Rubin and Jack Lew, Pulitzer Prize winner Ronan Farrow, Hank Aaron, Nobel Prize winners and Fortune 500 CEO's.

As a HOPE Global Forums partner, you will have the opportunity to engage with an elusive, yet valuable audience: passionate, open-minded leaders from across disciplines joined in the spirit of collaboration and innovation.

What they are saying

“This conference matters. It’s about telling people you can control your own destiny, you can participate in the market economy and be rewarded for your intelligence and effort and entrepreneurialism.”

President Bill Clifton
 Founder, Clinton Foundation,
 42nd President of the United States

“The HOPE Global Forum was the greatest show on Earth – because it talked about creating jobs and rebuilding the almighty middle-class. There was testimony from well-known American CEO’s, famous entrepreneurs, a 13 year-old business genius, President Bill Clinton – a wide range of expert witnesses. If anybody can bring our “good jobs” economy back – it is this summit, John Bryant and his Operation HOPE powerhouse.”

Jim Clifton
 Chairman and CEO, Gallup

“I’ve been to Davos, to the Super Bowl, and to National Conventions of both parties. If I were forced to choose only one, I would choose the HOPE Global Forum. For the ultimate in servant leadership, the HOPE Global Forum is the place to be, to learn, and to serve. The HOPE Global Forum finds the intersection of economic empowerment and human dignity. It is a place to learn, to teach, and to be inspired.”

Steve Bartlett
 Former Member of the US Congress,
 Mayor of Dallas, and CEO of The Financial Services Roundtable
