## HOPE GLOBAL FORUM 2019 SPONSORSHIP INFORMATION

### THE POWER OF IDEAS TO CHANGE THE WORLD

The HOPE Global Forum convenes leaders from government, community and the private sector to outline a vision of an inclusive modern global economy. Our purpose: to reimagine the global economy so that the benefits and opportunities of free enterprise can be extended to everyone. Our Annual Meeting is now the largest gathering in the world focused on the empowerment of the poor and underserved. It brings together a network of 4,200 decision makers in a vital showcase of thought leadership from more than 60 countries. Leaders in their own space, they represent some of the world's foremost organizations and institutions.

### GATHERING THE WORLD'S MOST EXTRAORDINARY PEOPLE AND WORLD-CLASS BRANDS

Our legacy of distinguished participants include President Bill Clinton, Fed Chair Ben Bernanke, U.S. Treasury Secretaries Jack Lew and Robert E. Rubin, legendary newsman Tom Brokaw, Nobel Prize Winners Al Gore and Dr. Rajendra Pachauri, Delta Air Lines CEO Ed Bastian, Pulitzer Prize winner Ronan Farrow, Arianna Huffington, Gallup CEO Jim Clifton, and prominent thought leaders from the worlds of academia, media, public policy, NGO's and the private sector. As a HOPE Global Forum partner, you will have the opportunity to engage with an elusive, yet valuable audience: passionate, open-minded brand leaders from across disciplines joined in the spirit of collaboration and innovation.

### 2019 THEME: A PATHWAY TO PROSPERITY - BUILDING AN INCLUSIVE ECONOMY

Global prosperity can only be achieved with an economy that provides equity and opportunity for everyone. With the theme "Pathway to Prosperity: Building an Inclusive Economy", the 2019 Annual Meeting will challenge participants to outline a vision for a new, global economy - where the poor, underserved and dislocated middle class are viewed as untapped assets for entrepreneurship, job creation and economic growth.

We will examine accelerating an inclusive economy in five tracks, along with the corresponding disruptions facing each sector. They include: Workforce, Technology, Start-up Entrepreneurship, Policy, and Community. Through a series of nuanced conversations, intimate "Straight Talks", working "Idea Labs", and "exclusive HOPE Accelerators," attendees will interact with some of world's leading voices, innovators, influencers and policy makers.

### HGF19 NEXT-GEN *NEW*

Harnessing the aspirational energy of up and coming leaders, HGF19 NEXT-GEN will bring together dynamic young people from across the country-representing local youth associations, colleges, and high schools, for an action-packed half day of programming focused on big broad thinking, and enough inspiration and tools to empower personal dreams and community-level transformation.

### HOPE ACCELERATORS @HGF19 *NEW*

Power-packed with inspiration and meaningful collaborative work, 150 participants in each defined accelerator will access coaching, industry influencers, tools and resources, an investor pitch, and networking. The five accelerators: Women Entrepreneur; Community Good; Technology; Entertainment; Creative, target the best and brightest innovators, change agents, creators, and activists from across the country. Collectively, these individuals will transform their communities and by extension, the larger economy through invention, job creation and grassroots leadership and organization.
