Gathering the World's Most Extraordinary People

“ This conference matters.

It's about telling people you can control your own destiny,
you can participate in the market economy and be rewarded
for your intelligence and effort and entrepreneurialism. ”

Celebrating the power of Ideas to Change the World

- Engage in authentic dialogue with a network of over 3,000 decision makers from 25 countries
- Connect and collaborate with like-minded peers
- Plug into a vital showcase of thought leadership

“The Hope Global Forum is not only a solid initiative to bring together like-minded individuals in an effort to help the underserved, but a solid foundation in which hope itself is built on. The Forum inspires me and makes me even more committed to help providing all a fair and equal shot. I am honored and privileged to be a part of it.”

Philippe Bourguignon
Vice Chair, Revolution,
Former Co-CEO,
World Economic Forum

“I’ve been to Davos, to the Super Bowl, and to the National Conventions of both parties. If I were forced to choose only one, I would choose the HOPE Global Forum. For the ultimate in servant leadership, the HOPE Global Forum is the place to be, to learn, and to serve. The HOPE Global Forum finds the intersection of economic empowerment and human dignity. It is a place to learn, to teach, and to be inspired.”

Steve Bartlett
Former Member of the US
Congress, Mayor of Dallas,
and CEO of The Financial
Services Roundtable

“The 2015 HOPE Global Forum was the greatest show on Earth – because it talked about creating jobs and rebuilding the almighty middle-class. There was testimony from well-know American CEO’s, famous entrepreneurs, a 13 year-old business genius, President Bill Clinton – a wide range of expert witnesses. If anybody can bring our “good jobs” economy back – it is this summit, John Bryant and his Operation HOPE powerhouse.”

Chairman and CEO,
