HopeGlobalForums.org

An initiative of  OPERATION HOPE

The PURPOSE of the HOPE Global Forums is to reimagine the global economy so the benefits and opportunities of free enterprise are extended to everyone.

- The HOPE Global Forums engage leaders from government, community and the private sector to outline a vision for the modern global economy – where the benefits and opportunities of free enterprise can be extended to and bolstered by everyone.
- Our Annual Meeting is now the largest gathering in the world focused on the empowerment of the poor and struggling middle class.
- Participants are challenged to make HOPE in Action Commitments – large or small, individual or collective – focused on creating positive change in the world.

The 2021 Forum will be a blended event (both in-person and live-streamed) that convenes leaders from the public and private sector to shape an inclusive vision for a post-epidemic, disaster-resilient economy.

The Forum will be a two and a half day event, scheduled for **October 19-21, 2021**, at the Hyatt Regency in **Atlanta, Georgia** and will include sessions led by preeminent leaders from across multiple business sectors.

Leverage the power of our network to support your core business and amplify the impact of philanthropic initiatives.
